ANNOUNCEMENT

On behalf of the Lone Tree Inc. companies, we are excited to formally announce the following 2020 acquisitions by the Lone Tree Inc.'s industrial products and service division.

AGGRESSIVE PUMP & SUPPLY INC.
(BC market)

&

SEBO PUMP & MACHINING / CUSTOM AUTO ELECTRIC
(Alberta / Saskatchewan / BC markets)

These acquisitions are part of our strategic direction to continue towards being a Canadian leader in water solutions and industrial services sector throughout Western Canada and beyond. Both Aggressive Pump & Supply Inc. and Sebo Pump & Machining have been leaders in their respective markets for over 30 years. Combined with **Sego Industries Inc.**, the water solutions and industrial division now services Western Canada market with six branches.

For any questions on the above or for any inquiries on wanting to work with our growing water solutions and industrial division, please contact either of our corporate representatives below.
